Tubing on the Arenal River

11 am and 2:30 pm

Our special tubes are designed to run small rivers and are equipped with handles and protective bottoms. Our splashing-fun tubing course is about 800 meters long but you can choose to run just the lower section which is about 180 meters and remain along our open viewing area, to make you feel more comfortable. We provide life jackets and helmets – Please bring water shoes with a secure heel strap or you can rent them from us for \$4 a pair.

NOTE: Minimum age 8 years old or with a guide 7 years old.

9am and 10am

The beautiful Arenal River winds its way through the Arenal Canyon offering spectacular views of lush tropical scenery and wildlife. Our certified river guides will lead you through the class II rapids of the river, leaving you with wet cloths and smiling faces. At the end of the adventure you will have a chance to relax in the natural hot springs and visit our jungle cats preserve with a guide. We provide life jackets and helmets –Please bring water shoes with a secure heel strap or you can rent them from us for \$4 a pair.

NOTE: Minimum age 12 years old or with a guide 7 years old.

Horseback Riding

9:30 am, 11 am, 1 pm and 3 pm

Enjoy an easy ride that takes you through the forest, across a river, and along a country road with spectacular views of the volcano and the San Carlos plains. You will have the chance to observe native wildlife their natural habitat, as well as a glimpse into the typical way of life of local farmers. This tour is perfect for all levels of riders.

NOTE: Minimum age 5 years old.

9 am, 11 am, 1 pm and 3 pm

Our 15 meters high climbing wall offers different routes of various difficulty levels, as well as rappelling. The special design and the materials used to construct this latest addition to the Club Rio Outdoor Center gives you the closest feeling to natural rock that you can get from an artificial structure. Come develop your physical capacity along with your mental strength, all while having an adrenaline-filled fun. We provide harnesses, helmets and climbing shoes. No prior experience is necessary.

NOTE: Minimum age 7 years old

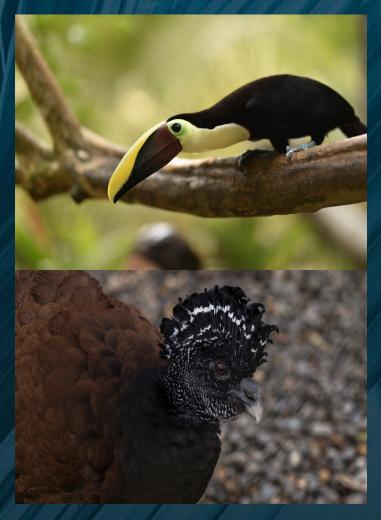

Bird Watching Tour

6am

We estimate 60 different bird species sightings per day out of the more than 600 species of birds found in the Caribbean lowlands of Costa Rica. Some of Costa Rica's most spectacular and colorful birds such as the White Hawk, Black-mandible Toucan, Crested Guan, Passerine's Tanager, Blue-grey Tanager, Montezuma Oropendula, Rufous Motmot and numerous Hummingbird species are spotted almost daily. Be sure to bring your binoculars and cameras! It is also recommended to bring long pants and closed toed shoes, rain gear for rainy days and mosquito repellent.

Wildlife Sanctuary Tour

9 am, 10 am, 11 am, 1 pm, 2 pm, 3 pm, 4 pm

For an additional fee, we would like to offer our Wildlife Sanctuary Tour, where in conjunction with the MINAE (Ministry of the Environment and Energy) we operate a preserve for Costa Rican wildlife that has either been confiscated from poachers or donated by other private preserves or individuals.

Wildcat Feeding

3:15 pm

Let's go down to Club Rio to discover the creatures of the forest during their peak activity level. You will spend approximately one hour experiencing our animal feeding. This tour is educational and great for children as well as adults. Our expert naturalist will explain the most interesting aspects of the animals, and geology of the rain forest while you witness the feeding of the wildcats.
